Canine Capers

Vintage Extravaganza

Saturday 17th & Sunday 18th May 2014

- ◆ **Canine Capers** is designed to be relaxed, therefore ideal for all dog owners to enjoy a fun time with their canine friend.
- ◆ All dogs must be controlled, kept on a lead and be friendly with other dogs! Remember, Fawley Hill is an Animal Sanctuary, where animals are encouraged to roam free. Your dog is the visitor!
- ◆ Remember to give your doggy friend a drink - there are plenty of bowls around the site. And please remember to pick up their doggy poo! There are poo dustbins, around and near the arena, 'Ironhenge', together with a supply of poo bags.
- ◆ You can enter **Canine Capers** on the day; to save time though, consider completing the form overleaf at home, so you only have to pay on the day.
- ◆ Each Class will be called into the ring and the judges may decide to move all the dogs around the ring once or twice before they look at each dog individually. Keep an eye on the judges to know what they want from your doggy friend.
- ◆ Win or lose remember to praise your dog; they will no doubt have given their best. Owners like to win certificates, but praise and a cuddle from you will mean more to your dog than a piece of paper!
- ◆ Tip: make sure your dog has a chance to stretch their legs before you go into the ring.
- ◆ HAVE FUN - enjoy your day and remember, win or lose, you get to take the best dog home!
